(Same chords in all verses)

A hobo watched, strangers came  
Heeding to the call  
Hearing that a prince of peace  
Was born beneath the star

Guided to this alley  
The strangers stood in awe  
Humbled by a homeless child  
Who had the face of God

Hallelujah  
All God's children are gonna sing  
Hallelujah  
Pray for peace and the newborn King

A mother holds him to her breast  
The fearful kneel in praise  
No gold, myrrh or frankincense  
No warmth this Christmas day

A hobo hands his tattered scarf  
To wrap around the babe  
Knowing in his heart of hearts  
The gift was that he gave

Hallelujah  
All God's children are gonna sing  
Hallelujah  
Pray for peace and the newborn King
